

Ticket to Bleed

By: Mike Dehlin

Get it Get it get it c'mon

she's a fresh disease
a sadistic queen
where's my ticket to bleed
she'll make you scream
she's a demon seed
where's my ticket to bleed

take it away
c'mon baby won't you take my life away

don't wonder why
you're gonna die
where's my ticket to bleed
you're gonna cry
from all those lies
where's my ticket to bleed

take it away
take it away
c'mon baby won't you take my breath away

won't you walk all over me
i love it when you tickle my feet
where's my ticket to bleed
won't you let me be your pet
and i'll take any abuse that i get
where's my ticket to bleed
