

# What was the High

Roll, roll yer bones  
Put yer money down and watch it go  
Roll, roll yer bones  
Put yer money down and watch it go  
Tell me, what was the high?

Tell me what was the low?  
Every time I play I watch my money go  
Ain't got no girl, ain't got no home  
Not When I roll, when I roll  
When I'm on a roll

Tell me, what was the high?
